Are you ready for Spring?

We sure are! Spring and warmer weather brings smiles to our faces. So, it's a good time to schedule an appointment if you have been considering orthodontic treatment, just need to have that retainer checked, or to see if you are now ready to begin treatment. Just call our office and we will be happy to reserve some time especially for you! Or maybe you just want to pass this newsletter on to a friend who might want to call us.

Winter Winners Announced

Throughout the months of January and February, our offices were decorated in a Winter theme, including snow, icicles, and snowflakes. As part of our Winter promotion, patients were offered the chance to guess how many "snowballs" were in a jar. Prizes were awarded to Colin Haney and Clayton Meranda. Each prize included complimentary entrance and skate rental for eight people to Open Skating at the Pepsi Coliseum, "Mad Cash" for refreshments, an official hockey puck, and even their own Zamboni ride!!! Congratulations Colin and Clayton!

Website Update!

Keep an eye on our website as we make some updates and changes. If there is something you would like to see on our website, please let us know as we make these updates! We want this to be a place where you can get information and even have some fun!
